Ehteraz App

EHTERAZ is the official contact tracing application for the State of Qatar and is owned, operated, and approved by the Ministry of Public Health.

ETHERAZ aims to protect and safeguard the health of citizens, residents, and visitors in the State of Qatar, to support the national effort in preventing and reducing the spread of COVID-19.

How can I download EHTERAZ upon arrival without a SIM card?

You will need a smart phone and any SIM card (even your own one - international) to download and activate EHTERAZ.

If it's necessary local SIM cards are available at the Ooredoo and Vodafone kiosks.

Android users can download the app from the Play Store:
https://play.google.com/store/apps/details?id=com.mo i.covid19

iOS users can download the app from the App Store:

https://apps.apple.com/qa/app/ehteraz/id1507150431

QR Health Codes

The profile of each user is linked to the QR Code by automatically extracting the use health information from the official bodies according to the following categorization

For inquiries: Call the Government Contact Center 109

- **Red:** If the test result is positive, the individual is isolated and their health status on Etheraz will change to red.

- **Yellow*:** indicating that the individual is under quarantine.

- **Grey:** Suspected case – Individual exhibited symptoms or that have been in contact with COVID-19 positive case.

- **Green:** Negative test or Quarantine period is completed / Healthy
